

Mixed Bean Salad

⌚ Prep time: 15 minutes

🍽️ Makes: 4

Ingredients

400g can **Wattie's Four Bean Mix in Springwater**, drained

1 small red onion, finely chopped

1 small red capsicum, deseeded and diced

1 stick celery, chopped

100g green beans, blanched and halved

250ml bottle **Eta Balsamic Vinaigrette**

Method

1. Toss four bean mix, onion, capsicum, celery and green beans in about 1/3 cup of **Eta Balsamic Vinaigrette** or to taste. Refrigerate for 30 minutes before serving to allow the beans to absorb the flavours of the dressing.

Note: To blanch beans – trim beans and plunge into boiling water for 2 minutes. Drain and cool quickly in iced water.
