

Banana and Mango Ice Pops

 Prep time: 15 minutes

 Serves: 6

Ingredients

375ml **Golden Circle Mango Nectar juice**

1 banana, sliced

Method

1. Arrange 4 slices of banana to the inside walls of each ice pop mould. Pour in **Golden Circle Mango Nectar juice** and position the sticks in the centre of each mould. Place filled ice pop mould in the freezer for 6–8 hours or until ice pop are frozen hard.
2. When ice pop are ready remove from mould by twisting the stick slightly and enjoy immediately.
