

MEXICAN BEANS AND BAKED POTATO

 Serves 1

INGREDIENTS

- 400g Wattie's Mexican Style Beans

METHOD

Heat **Wattie's Mexican Style Beans** and serve over a baked potato. Create a salsa style salad of diced avocado, tomato and thinly sliced red onion to serve on the side.

TIPS

For another tasty way to serve, spoon beans onto a wrap. Fold in the sides and roll to enclose the beans and sauce. Place in a greased ovenproof dish. Top with grated cheese and bake at 200°C for 10-15 minutes until hot and golden.
