INGREDIENTS

- 420 g can **Wattie's Mild Chilli Beans**

To serve:

- Sour cream
- Fresh coriander leaves
- Corn chips

METHOD

1. Spoon the **Wattie's Mild Chilli Beans** into a food processor or blender and pulse until blended but still chunky. Transfer to a microwavable container or saucepan and heat until warm. Top with a dollop of sour cream and fresh coriander leaves. Serve with corn chips.

TIPS

- This recipe can be used as a delicious vegetarian nachos topping.
- This dip is also delicious added into other Mexican dishes like to tacos, nachos or burritos.
- Purée the beans for more time if you want a smoother dip texture.
