

LEMON SQUASH

Prep Time 15 minutes

INGREDIENTS

- 4 lemons
- 2 tsp tartaric acid
- 2 cups sugar
- 2 ½ cups boiling water

METHOD

1. Using a peeler thinly peel just the rind of 2 lemons. Place in a bowl with the juice or all 4 lemons, tartaric acid and sugar.
2. Pour over boiling water and leave to stand until cool. Strain and bottle and keep refrigerated until required. Make up using 1 part syrup to 3 parts water or try with lemonade or soda water.
